## Workshops

Workshops are running on some Tuesday nights at the darkroom. They cover studio lighting and flash. For more information see Bill.

## Important

As we have been running overtime during the last few competitions we can no longer accept entries on the night after 7:30. Our slides and prints should really be presented to Russell and Eddy the meeting before competitions.

## Models Welcome

**Special Notice:** We are looking for models and props for the model night. If you have friends or relatives who you think would be interested in joining us please see Peter Kissun. (0421 944 639)

Nic did offer to strip down to a g-string, but will not be available on 29<sup>th</sup> September.

Entry fee for the model night:  
Members and Models free  
Guests \$10 each.

## Accumulative Scores

Many members are interested in their scores and to see how they are faring against other members. Eddy has had these scores available for anyone to look at each month so just ask him where he keeps the list if you wish to check it out.

## Please Pay Up

A few of last year's members are still attending the club and are entering competitions without renewing this year's membership. If the overdue fees are not paid immediately these people will lose their accumulative score for this calendar year. If you are not sure if you are one of these members – please see John Harrison.

## Steam Trains

In about three weeks time Bill is organizing a Saturday visit to the Everleigh railway yards to photograph the 3801 steam train. If you wish to join him please let him know

## Peoples Choice Awards

March – Lawrence Gatt  
April - Nic Peters

Peoples Choice awards are awarded to prints only and the prize is a roll of film and an A5 certificate to attach to the print

## Seen in photographic magazines

It seems we have a very forgetful member who sends the same photo to different magazines with conflicting information about the photo, and is published in both. It wouldn't matter except a reader of both magazines caught the member out and wrote a letter to the editor of one of the magazines.
