Thank you Chantelle and Sarah for modelling for us and thank you Henry, Joe and Eddy for providing the lights. As part of model night is to provide photos to the models please let us have copies of your best pictures to pass onto them. If you wish to email photos to them send Chantelle's to Henry at [memories@tpg.com.au](mailto:memories@tpg.com.au) and send Sarah's to [sarah\\_princess86@hotmail.com](mailto:sarah_princess86@hotmail.com)

## Wanted

I would like one photo from everyone who was taking photos on model night to put on the web. Please email it to me at [bcpc@genica.com.au](mailto:bcpc@genica.com.au) or let me have a hard copy as soon as possible. Thanks everyone.

## The Night Life Photo Challenge

This challenge was held on 6th August and was a last minute arrangement as far BCPC was concerned and included North-Western Camera Club and Parramatta Camera Club as well as ourselves. The night started at 6pm for registration at Darling Harbour and completed at 11:30 I would like to congratulate the organisers for a job well done. Photographs were to be taken at 10 points all over the city including behind Circular Quay, Botanical Gardens, Hyde Park and George Street. There were 50 photographers in groups of about 5, making their way around the city by foot or by car. Not all points had to be photographed unless you wanted to, which was a blessing as Superman took priority over cars at the Art Gallery. It was a long night and parking was atrocious for those of us in vehicles, but as an inaugural challenge it was a success.

## Night Life Photo Challenge Awards

A finger food meal was held for the judging and awards night. for the photo challenge. There was good work on show with some photographers entering as many as 30 photographs. One Parramatta club member received 4 of the awards. A good night was had by all.

## Next Set Subject

Our next set subject is **Autumn on 19<sup>th</sup> October 2005**. To take photos now for this competition it involves a trip to the northern hemisphere. We had plenty of warning and had excursions to help collect photographs, so now is the time to display them. Bring them to the meeting on 19<sup>th</sup> October.

## What I learned this month

When taking your best shots, put a film in the camera especially if it isn't a digital camera

## Next Outing

~~Cancelled~~  
Cancelled 14th September - Taronga Park Zoo.

Another Photo Challenge has been declared for November with Taronga Zoo as the focal point – so it seems silly to visit it twice so apologies to anyone planning on going, but we will give you details of the new challenge soon and we will see you there.
