Congratulations Amy

Congratulations Amy for winning the first prize at the Royal Easter Show. Amy took underwater photos of a friend at a swimming pool using a throwaway camera and won this prestigious event. Shows that it is the person behind the camera not the camera that counts.

Fundraiser:

We've still got more of the Entertainment books to hand out, so if you haven't got any yet – see Alicia.

Doonside Community Open Day

The first Community Open Day was quite a success with at least one member being recruited. There were not many stalls there, but our position was great and some good ideas for next year came out of it.

Thank You

Thank you for the support you gave to the digital competition we held as part of the digital demo by Jen. It was quite a success for a first time effort. The winner was Lawrence and David & Peter came equal second. The results are on the web with all the comments you made attached to each picture.

Warning: Interclub Coming Up

The Interclub between BCPC, Castle Hill & Parramatta is coming up. The rules follow our own club rules with the added rule that the photo may not have been shown at a previous Interclub. So go home and sort through your favourite photos. They do not need to have been entered in club competitions. We need a total of 10 prints or slides from each section. You may hand us more than the required 3 in colour, b&w or slides and some of the members of the committee will choose which we will show. Lets try and help some of the less popular sections such as small prints or slides (remember small prints cannot be manipulated & must be commercially printed) Our main aim here is to display a large cross section of our members as possible and of course keep the trophy.

Sorry Penny. You had the top scoring small print for March and I put Peter O'Brien instead of Penny O'Brien

Next Set Subject

Hands and Feet Our portrait subject this year is concentrating on just hands and feet. This of course can be just hands or just feet or a combination of both, but please do not include the body unless it is to improve the story told by the hands and feet

Next Outing

Equestrian Centre

Our next outing to the Equestrian Centre at Horsley Park is next Saturday at 2pm. It sounds interesting as Alicia is arranging behind the scenes as well as the main arena photos we will be taking. As the main arena is indoors make sure you take high speed film or use a high ISO and take your tripod. See Alicia for more details

New on the web – Digital Comp

I have put the digital comp pictures on the web including the comments handed out last meeting

New on the web –Tips and Tricks

I put the document I passed around at my demo in march on and the document showing how to make a satin backdrop using Photoshop

New on the web –FireFox Users

The web site can now be accessed using a FireFox browser as well as Internet Explorer. I found the problems and made the necessary tweaks over the long weekends

Apologies too. What with working, and finding the Firefox problem and uploading the digital comp – I completely forgot to pick someone for the member of the month.
