Interclub Coming Up

With the Interclub coming up we will be looking for helpers to help on the night. We will be providing supper for our visitors so we would like you to bring a plate (full of food of course), please see Ceara to let her know what you can bring. We will also be looking for strong bodies to help us set up early, and not so strong bodies to help sort out the entries so if you can arrive by 7 on the night it would be appreciated.

Latecomers

This is reminder that entries for competitions are supposed to be submitted at the meeting before the competition. They can be accepted on the night if they are submitted **before 7:30**. Entries will no longer be accepted after 7:30 and red signs will be placed around when entries are closed.

Ideas

Its time to let the committee know what you would like to have on the program for next year. What talks you would like and what subjects for competition. Planning is happening now. Leaving it to the end of the year will leave it too late

Congratulations New FCC Committee

Andrea Robinson from Hawkesbury Camera Club is the new President of the FCC. Our own Nic Peters is the Vice President and Jen keys is one of the committee members. So now you can expect to be more involved in the activities on offer by the FCC.

Blacktown Festival

Thank you to the members who manned our stand at Blacktown Festival. It was fun for the few hardy members braving the cold and the gales to man the stand. We changed our position from previous years and were placed in Campbell Street directly on the parade route. Mary was our official photographer for the day, being the only member to have her camera to hand during the parade. Shame on the rest of you.

Next Set Subject

Machinery

Bright chrome machine parts - dirty oily engine parts - it all comes under machinery. They can be found in the fields, parks and museums. They can be found at work or at home. They can be found anywhere.

Next Outing

Featherdale 9th July

Photograph the cuddly koalas, the hissing Tassie devils, watch the march of the fairy penguins - all without leaving the boundaries of beautiful Blacktown. Take your long lens to get closeups and your wide angles to get the action

New on the web –

Member of the Month-Ceara Hippe
Photos of Amy with her Easter Show prize. Winners of the raffle at Blacktown Festival. More in the photo gallery..

Equestrian Centre Outing

A beautiful autumn day to be out in the country, even if we were only ten minutes from home. Elegant horses with elegant riders, what more could we ask (no Val - elegant groomers wouldn't work) The dressage events were on as we arrived with prize givings hard on its heels. The afternoon moved into judging the young horses whose training was not yet complete. Then more dressage moving into the evening. There was plenty to photograph with the Indoor Arena, the training arena and the stable area with its walkway to the arenas The only disappointment of the day was not being allowed into the stables themselves.
