Welcome to the Interclub

We would like to welcome everyone here tonight for the Annual Hills District Interclub competition. The clubs involved are of course ourselves, Castle Hill and Parramatta. Our agenda will be Large Colour, Small Colour, then Slides. After the interval we will be showing Large Black and White and lastly Small Black and White

Thank You Better Magazines

We would like to thank Better Magazines for the donation of two magazine subscriptions worth almost \$100 for our raffle tonight. Better Photography is edited by the very popular speaker Peter Eastway and Better Digital is edited by digital guru Robin Nicholls. Each Subscription will be raffled off separately and tickets will be sold for \$2 each or 3 for \$5.

Featherdale Outing

Next Sunday is the Featherdale outing. We have organised an early start before the crowds come in and while the animals are still in early morning active mode. We are meeting in the carpark at 8:00. Don't be late as we will not wait for you. Make sure you dress warmly, I'm sure you will be able to duck back to the car to drop off coats and scarves when things start to warm up.

Don't like the idea of an early start on a cold winters morning? Join us at 10 when the complex opens and the feeding of the animal start.

The normal price for entry is \$19 and we have negotiated a price in the region of \$14.

Any of our visitors are also welcome to come along if you wish to come along.

FCC Interclub

Entries will be called soon for the FCC Interclub – so keep your pictures to one side as we will be calling for entries to the next level of competition.

Next Set Subject

Machinery 19th July

Bright chrome machine parts - dirty oily engine parts - it all comes under machinery. They can be found in the fields, parks and museums. They can be found at work or at home. They can be found anywhere.

Next Outing

Featherdale 9th July

Photograph the cuddly koalas, the hissing Tassie devils, watch the march of the fairy penguins - all without leaving the boundaries of beautiful Blacktown. Take your long lens to get closeups and your wide angles to get the action (see main body for times and meeting places)

New on the web –

Member of the Month-Geoff Higgins
More in the photo gallery..

We will also be placing the results of tonight 's competition during the next few days

Quote

Photography is not about cameras, gadgets and gismos. Photography is about photographers. A camera didn't make a great picture any more than a typewriter wrote a great novel. -Peter Adams, Sydney 1978
