Camera Rally

The Camera Rally this year was a great success. Everyone enjoyed themselves and most people visited at least one spot they did not know existed. Pam and Nic won the trivia again with John and Brendan very close behind. The voting is by peoples choice so go to <http://www.genica.com.au/bcpc> and click on the announcement on the front page to vote before 25th October or bring your voting sheet to the club before 18th October.

FCC Interclub

Blacktown did well at the Interclub this year in the nature slides section -- with only 5 entries we fell into the small clubs area for that section and took out the small club honours. Maitland took out most of the honours this year with an average score of 11 in the colour section. Blacktown came in at 18th in the colour section – not bad for a first showing in many years.

Raffle Tickets

The raffle tickets are starting to go – some people are on their second and third books. The prize is a phenomenal printer from Epson worth \$500. It was worth \$800 but has recently come down in price. If you don't have a raffle book see Alicia. The prize will be drawn on 29th November at Peter Eastways talk.

Prints and Slide of the Year

Its time to start sorting out your entries for Print and Slide of the year, we will be collecting them on the 15th November as we will be too busy on the night of Peter Eastway's talk.

Digital Workshops

A couple of our members are looking at holding 3 Digital Workshops during the Summer Break. The dates will be December 6th, 20th and January 17th. There will be a fee of at least \$10 for each session and bring your own laptop – if you have one. We may have to restrict numbers depending on interest. If you are interested please talk to Jen or Bob.
