Thanks to Crocodile Encounters

Thank you Crocodile Encounters for standing in at short notice for our reptile night. A hugely successful night with as many as 20 snappers all trying to take photos at the same time. Photos are on the web

Congratulations to the New Committee

We now have a new committee, very much the same as the old one, except for Bill and Geoff retiring and we welcome Gareth in the role of competition secretary

Show Time - Blacktown

Congratulations to Lawrence and Jen for Best Exhibits at the show. Lawrence won it for B&W and Jen for Colour. David also won three firsts with Val and Anne being awarded places and Bob and Gareth winning Highly Commended certificates. For full details see the web site.

Show Time – Castle Hill

Congratulations to David for best exhibit at Castle Hill and to Lawrence for being placed in quite a few categories.

TopShot

The Topshot exhibition will be held at the Deerubbin Centre, 300 George St, Windsor on 21st April from 10am.

Linnwood House

A dull morning for our dawn shoot, but at least the rain stayed away. Breakfast at McDonalds then a few of us went onto the aqueduct to to shoot in the hot steamy conditions.

The afternoon shoot inside the house went well with Geoff orchestrating the models. Thank you ladies you looked lovely in the period costumes and thank you to the anonymous convict who brightened up our day.

Just looking forward now to the exhibition to be held there later in the year.
