Topshot

Congratulations to Nic for winning the Open Slide Section in Topshot this year with his shot of "Venice" and achieving a 2nd place with "Out of Wood" in the Nature Slides section.

Congratulations to Jen for winning the new section Electronic Digital Image – Creative /Experimental with her image of "Dirty Feet". and she achieved the Top EDI award with this shot.

All the entrants from Blacktown did fairly well with their shots - it was a shame there weren't more entries.

Ray Moxom from Ryde/Eastwood won the \$200 Novice Prize this year – maybe someone from Blacktown next year.

Pagan Wedding

We have been invited to shoot a Pagan Wedding in Balmain as a club event sometime during August. We need to get the names of those participating so please see Nic for more information

APSCON

Want a week away in October. Learn more about photography while making new friends. APSCON has a varied program of exhibitions, lectures, workshops and tours and this year it will be held in ALBURY/WODONGA from the 20th to 26th October, 2007.

Anzac Day

The Anzac Day March was a cancelled this year – not that it was raining, but the heavens were expected to open at any time. The ceremonies were held in the auditorium where it was standing room only. There were three photographers, myself, Nic and the press. The lady from the press left a 70-200 f1.28 lens just laying around (under the eagle eye of a friend). Whilst I was drooling – she returned and actually let me attach it to my camera and take a couple of photos, thus I took my best photos of the morning. Thank you Louise.

Next Set Subject

Portrait 20th June 2007

Our traditional portrait competition is back. You've had two years to collect together your favourite portraits or you can show us what did on model night..

Next Outing

Our next outing is on 2nd June at the Whitewater stadium at Penrith.

New on the web

Updated Galleries
Anzac Day Photos

Our galleries are getting old so anyone wanting to update their galleries or to start a new gallery on the website please give a disk to Jen or email them to bcpc@genica.com.au. 3 or 4 photos is a great start

Monitor Calibration Tool

See Alicia if you would like to use it

Tip of the month
