## Web Site

Email any photos for the web site to at  
[bcpc@genica.com.au](mailto:bcpc@genica.com.au).

## Monitor Calibration Tool

See Alicia if you would like to use it

## AV Challenge

There will be a meeting Tuesday 13<sup>th</sup> Nov at Bobs place to discuss ideas for the AV Challenge. Please look at the photos – there is a link below and see if you can come up with a with a concept for the challenge and we will discuss it. remember this is a group project so all will be involved.

## Print and Slide/Image of the Year

Remember to bring your Print and Slides of the year to the next meeting or to the Christmas Party. The categories are Colour, Black & White and Slide/Digital Image which have shown in a competition throughout the year. You can have 3 entries in each category and it is open to both A and B Groups

## Camera Rally

The results of the Camera Rally will be available on the web after on Thursday after the next meeting.

## Digital/Slide Competition

The slide competition was very disappointing with only entries in the food and portrait categories. Nic of course was top scorer in both these.

There was a better response to the digital comp with almost 80 entries  
Jen was the top scorer in the gardens section, Val & Penny in Communications, Nic and Bronwyn had 2 in Portrait, Val in Emotions and Penny in Food,

Hopefully next year we will have more entries for these competitions

## Apertures and Shutter Speeds

Having trouble understanding the manual settings of your camera. Try the internet site linked below. It is a camera simulator allowing you to play with the settings and showing you the results
