Welcome to our Guests

Tonight is the night we see the results of the AV Challenge. We would like to welcome all our guests from other clubs and wish them the best of luck tonight in this our first AV Challenge and hope that the other clubs had as much fun making their movies as we did making ours.

Congratulations

Print & Image of the Year

Congratulation to Print & Image of the Year winners Geoff & Jen. Geoff won Colour print and Black & White print of the year and Jen won Image of the year. The images have been uploaded to web for anyone wanting to look at them.

Blacktown Show

Congratulations to our members who entered into Blacktown Show, all the work entered was good. It was another successful year for club members with Anne and Penny taking out the honours this year. Anne won the Best Exhibit in Black and White and Penny won the Best Exhibit in colour. Other first prizewinners were Val and Jen with Penny, Jen, Brendan, Val, Peter & Eva receiving places or encouragement awards. Also congratulations to Siobhan Elliott for winning the Primary School Best Exhibit.

Our New Committee

Congratulations to our new Committee. Almost the same as last year, but we would like to welcome Linda on board.

Inaugural meeting at the Workers

We had our inaugural meeting at the Workers Club last meeting and it went very well with very few teething problems. We would like to thank Penny for all the hard work she has put in to make this move possible.

TopShot

Bring your Topshot entries in to the next meeting on the 19th March and we will see that they get to the competition. Remember to bring a cheque or a money order for entry fees and a copy of the entry form which you have sent in electronically. Go to <http://www.photographyNSW.org.au/> for the entry forms.

February Peoples Choice Awards

Anne Galambos

February Top Scorers

A Colour Valerie Bower

A B&W Jen Keys

B Colour Penny O'Brien

Bronwyn Elliott

B B&W Penny O'Brien

Next Set Subject

Low Light. Any photo taken while the light is low. No flash – unless the flash is used creatively

Next Outing

Our first outing of the year will be held on the shores of Homebush Bay on the evening of the 12th April. Contact Nic for details of meeting place and times.

Outings

It has been suggested that we have more outings – at least one a month. We will be looking for suggestions so please let Penny know if you have any suggestions.

Monitor Calibration Tool

We have a Spyder Express Monitor Calibration tool for CRT, LCD monitors and Laptops available to all members. See Alicia if you would like to use it

Tip of the month

Home Made Soft Box

The main problem with your average flash gun is the shadows are too harsh. There are many commercial products on the market to produce nice soft even light, but these are expensive and not always that good. Here is a home made one with all the instructions
