Tip of the month

“Just as a person can have
varying moods, so too, can a

City Street Photography Outing

10.30 under the clock. This is where 8
adventurers met, cameras at the ready.
Leaving Central we headed off towards
Oxford Street, where we should have
seen street performers and buskers
around Taylor Square. We did not find
them. Undeterred we continued along
Oxford St. At this stage Jen decided to
wait for us, she must have a crystal ball.
We walked and walked the locals said 'it
is just up there' eventually we gave up
and caught the bus. We found
Paddington Markets, this gave us a
chance to have some lunch and do some
window shopping. Once bitten , twice shy
- we caught the bus all the way back to
Hyde Park. there was lots of activity in
Hyde Park, the photo exhibition was
great, amazing photos. As we were
about to enter St James station we found
a street performer - Mr Icredibubble.
Thanks to Penny and Bob for organising
the day it was fun but tiring.
