## Problem with Set Subject

Apparently we have two versions of the program hanging around. One version says the Set Subject for September is Portrait and another one says it is Stone Walls and Fences. This dilemma will be sorted out at tonight's meeting, but please check with us to see which it actually is if you do not attend the meeting.

## Camera Rally

On 13th September we will be having the Camera Rally. Entry Forms will be available from on the web on Thursday.

## AV Challenge

It's AV Challenge time again. We will be asking for volunteers again at tonight's meeting. Names will be drawn from a "hat". Please have the photos to Jen by 21st October, on disk or on a stick. The maximum dimensions of the images are 1920x1080 pixels and the file size must be no greater than 1 Mbyte, but not less than 500kb.

## Standing Orders

A copy of the club's Standing Orders will be available on the web before the end of the week. Please read them and let us know if you have a problem with any part of them. We hope to vote on them as soon as possible.

## Christmas Raffle

We will be asking for donations for the Christmas Raffle starting at the next meeting
