KNOW YOUR CLUB MEMBER

I am starting this column to introduce our club members and some of their photographic information.

NIC PETERS has had a passion for photography since obtaining his first SLR camera during his service in Vietnam in the late 1968-9.

Nic has been a member of the Australian Photographic Society for many years and is a long standing member of BCPC since 1985 and is currently President, a position he has held for about 12 years.

Nic has entered various exhibitions and competitions with reasonable success including a 3rd place at the Sydney Royal Easter Show.

He tells me that one of the joys he gets from photography is the ‘brain work’ needed to think out and search for the shots.
